2008 JUN -9 AM 11:36

U.S. DISTRICT COURT  
WILMINGTON, DE.

**Dear Honorable Judge Sue Robinson,**

**The following letter is concerning the above civil action number 06-538-SLR. Presently, I am unable to afford the representation of an attorney. I am currently awaiting another hearing regarding my welfare benefits (Medicaid/food stamps). Employment is less than twenty hours per week. My services presently are of a maid/caregiver.**

**I have sixteen years of professional experience and I am not receiving a salary that commiserates with my skill. There are no health benefits or retirement. On June 6, 2008, my second evening job (Senior Helpers) became a threat from the client and I am no longer employed in the evening. I was suppose to be eligible for health benefits in May 2008, but the client and his family violated my rights. I could no longer work with their condition and I asked my supervisor to reassign me to someone else. My part time day position is with Home Helpers.**

**The employment discrimination is continuing and I have not been charged with any violation. Therefore, the courts will not appoint me counsel. I am restricted/punished (not enough hours, low pay, no promotion, services of a maid only, no benefits and threats) by those who employ me or those who are directly involved with this case. The violations are criminal/civil and no one has offered to take my case pro-bono or on a contingency fee basis.**

**Unless, I am provided counsel, I can not continue the preparation of the teleconference as scheduled on June 9, 2008 at 2:30 with Magistrate Judge Stark. The Defendant's counsel has scheduled a deposition to take place on June 10, 2008 at 12:00 pm. I am not willing to be deposed without representation. It violates my rights and my privacy. I have a senior at home that I need to provide for. I am living in her home and I have responsibilities to pay the bills and take care of the maintenance on our home. I am in need and it is more important to secure what my mother and I need than the fraud/fame of those involved in this case. I respectfully**
